Circular 001/2022

Application of 1st February 2022 pay adjustments

The Minister for Further and Higher Education, Research, Innovation and Science wishes to inform Higher Education Institutions of revised rates of salary and allowances for staff with effect from 1 February 2022 in accordance with the Public Service Agreement “Building Momentum” - A New Public Service Agreement 2021-2022”.

1. Application

1.1. The pay adjustments should be applied, as appropriate, from **1 February 2022**.

2. General

2.1 This circular sets out pay increases due on 1 February 2022 as provided for under the Sectoral Bargaining provisions of “Building Momentum - A New Public Service Agreement 2021-2022” (‘the Agreement’) in relation to the public service grades listed in Appendix 1 .

2.2 “Building Momentum - A New Public Service Agreement 2021-2022” provides for the equivalent of a 1% increase in annualised basic salaries to be used as a Sectoral Bargaining Fund or a general pay round increase on 1 February 2022.

2.3 This circular does not apply to those groups who are settling claims under section 2 of Building Momentum. These groups may include the Institutes of Technology Nurse and therefore the 1% pay increase under sectoral bargaining should not be applied to this grade at this time. Separate arrangements will apply in relation to these groups and further instructions will issue in due course. It is anticipated that any such separate arrangements will be made retrospective to 1 February 2022, unless there are exceptional circumstances in the settlement arrangements whereby retrospection would not be appropriate.

2.4 The adjustments should be rounded to the nearest euro on annual payscales and to the nearest cent on weekly payscales. Hourly rates should be rounded to the nearest €0.001. For the avoidance of doubt, Higher Education Institutions (HEIs) should be

clear that under Building Momentum the revised pay rates set out herein apply to all relevant staff in HEIs including hourly-paid staff.

2.5 This circular also sets out arrangements in respect of the Additional Superannuation Contribution (ASC) for the year 2022.

3. “Building Momentum - A New Public Service Agreement 2021-2022”

3.1. In accordance with **section 3.1.3** of the Agreement, the annualised amount of the basic salary of public servants will be increased by 1% with effect from **1 February 2022**.

3.2 Revised salary scales with effect from 1 February 2022 are attached at Appendix 1 of this Circular as follows:

- Institutes of Technology and Technological University Dublin = Page 4-25
